

“Sirius Software Installation”

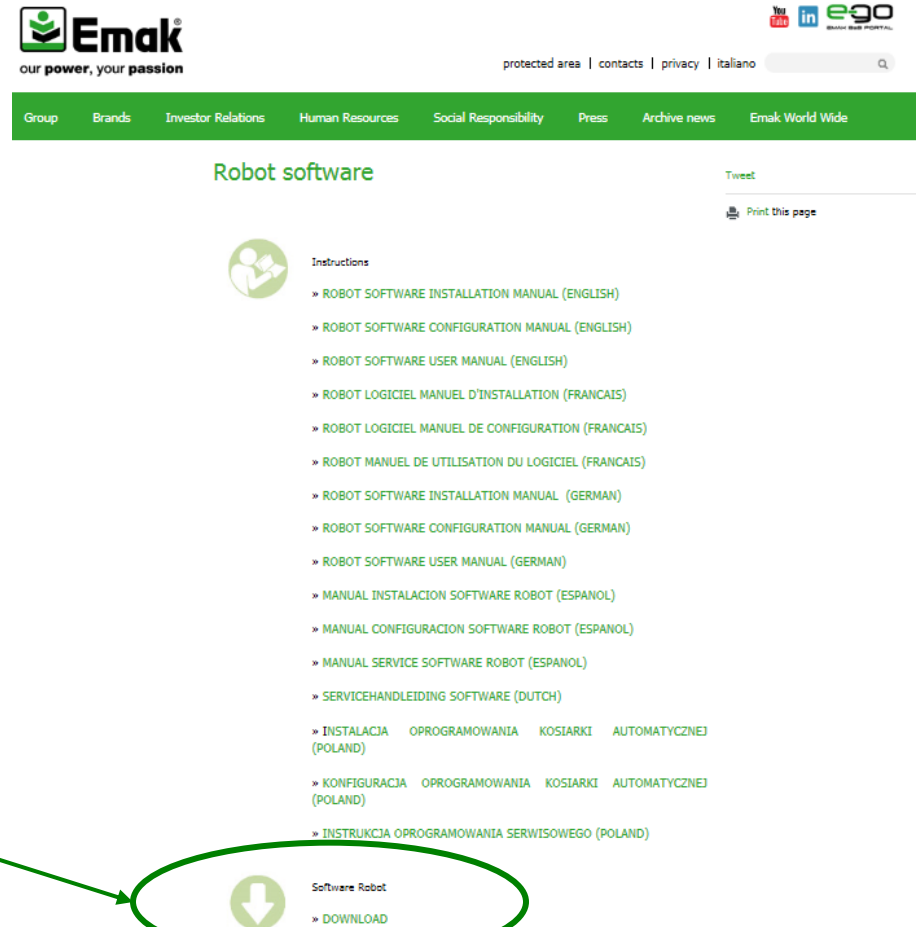

Anleitung

Sirius Software Installation

Bevor die alte Version des software installieren, bitte die alte entfernen. Kompatibel mit den folgenden Betriebssystemen:

Microsoft Windows Vista, Windows 7, Windows 8, Windows 10

Klicken Sie auf **DOWNLOAD**, anschließend extrahieren Sie den heruntergeladenen Ordner mit Hilfe von "WinZip" und installieren Sie das "Service Software" Programm

The screenshot shows the Emak website with the following elements:

- Emak logo and tagline "our power, your passion" at the top left.
- Navigation links: Group, Brands, Investor Relations, Human Resources, Social Responsibility, Press, Archive news, Emak World Wide.
- Search bar and social media links (YouTube, LinkedIn, eGo) at the top right.
- Section title "Robot software" with a "Tweet" button.
- Icon of a person reading a document labeled "Instructions".
- List of manuals in various languages (English, French, German, Spanish, Dutch, Polish).
- Section "Software Robot" with a download icon and the text "» DOWNLOAD".

A green arrow points from the text "Service Software" in the previous block to the "DOWNLOAD" link in the "Software Robot" section of the website.
